

Funeral services were held Wednesday afternoon, in the 1st ward chapel over the remains of Clifton Andrewa, who died at the Holy Cross Hospital at Salt Lake, of pneumonia last Saturday. First counselor in the Bishopric, A. L. Alder, presided and the speakers were John A. Woolton, Bishop Jacob Probst, H. T. Coleman and A. L. Alder. A duet, "Beyond To-Day" was sung by Mrs. Clara Pyper and her daughter, Jennie, and a solo, "My father Knows" by S. N. Durgl. The choir music was furnished by the 1st ward Relief Society. A goodly number was in attendance. Clifton was 27 years of age and was the son of Nicholas Andrewa. Most of his life was spent in Midway. He had an excellent voice and sang at many of our ward entertainments. Besides his father, he leaves a wife and child residing at Park City, a step-mother who has been a real mother to him, and two sisters— Mrs. Mabel Epperson and Mrs. Florence Provost of Midway and a number of relatives living at Park City and many friends to mourn his untimely demise.
